Payday 2 artillery barrage guide

Start a non-pro rat heist in normal difficulty. It is recommended that you restart offline easily. Bring the GL40, Ding Dong's breach tool and ammunition. On day 1 and 2, you can take out cops gathered in the courtyard of Big Bada Boom, or you can take cobras at truck on day 2. On Day 3, which can be used as an objective marker for the bus to measure distances (example). It should give you an idea when the enemy is more than 40 meters away. You can bomb mendoza on a bus 40 meters, then keep restarting until you get an Artillery Barrage. You can also kill them in Shotelli Hammetime or just luck and get 4 in a row big bada boom. Continue to restart the day if you want, and you'll be sure you'll get all these achievements in a few minutes. If you have a better way to do this or other new achievements, let me know. Good luck and happy theft! Page 2 Posted by 6 years ago 13 comments & Achievements (Payday 2) Edit Comments Part Of Purpose Kill 25 Bulldozers Using Gewehr 3 Rifle. One green bulldozer spawn in one of murkywater cargo containers, who can be found and killed before restarting the robbery. Artillery Barrage Kill 25 enemies 40 meters or more using only a GL40 grenade launcher. Opens The Wooden Stock for the Gecko 7.62 rifle, Pirate Barrel for GL40 grenade launcher, Bone material and Muerte pattern. As above, the early Meltdown offers a variety of goals of 40m or more - many guards in the yard are so far away and a carefully targeted shot can even reach the guards on the roof. You can then restart the robbery as many times as you need. Not today Kill jumping on Cloaker using a GL40 grenade launcher. Opens Wooden Stock, Retro Grip and Wooden Foregrip for Gewehr 3 rifle. Numerous viable strategies are available for this achievement, but as general advice, players should try to position themselves behind some kind of low cover (tables, counters, cars), do some damage to Cloaker's secondary weapon, then approach the cover - if Cloaker starts his jump, fire cover himself and the under-effect damage should kill him. On the PC version, damaging Cloaker before the jump is not necessary very hard difficulty. Teaser achievements make up a slightly modified version of the quote from Douglas MacArthur. The Artillery Barrage, payday 2. I like to think of it as the best, albeit time-consuming, way. Other Payday 2 Guides: Kill 25 enemies with 40 meters or more using only a GL40 grenade launcher. Opens The Wooden Stock for the Gecko 7.62 rifle, Pirate Barrel for GL40 grenade launcher, bone material and Muerte pattern. Normal bomb: Forest First field, grab a police hostage near a clearly identifiable object, such as a tree, at least a few feet from the other st, rocks, and so on. Second, place some Watchman Guns (provided by the AP, Armor Piercing Rounds) near the hostage so that no police officer tries to free his soon-to-be-exploded police friend. Next, we're going to move at least 40 yards away from the hostage, preferably on the train. Then point your GL40 to the position so that the Grenade accurately fires barrel grenade launcher and about 2 meters of cop hostage there, on the ground, at least 40 meters away from you. Repeat next until you reach an achievement. Pretty simple, really. Yes, fo'sho. Achievement guide to Crimson Shore Update! Sugar, lard and skorptions Find churro. Opens the Undead Peacock mask.
